

# BAGUETTE

## - STAGEPLOT -

### SOUND REQUIREMENTS:

A PA-System well fit for the venue and a monitoring system well fit to the P.A.

### F.O.H.:

1 sound engineer who is skilled and familiar with the local sound system

### VISUAL REQUIREMENTS:

Please provide 1 video projector connected with a BNC (cinch) composite cable (no VGA or HDMI)

### LIGHT REQUIREMENTS:

1 light engineer who is well skilled with the local system.

---

**Baguette will bring their own backline** unless it wasn't discussed otherwise. If we have to share our backline with the other bands, please make sure that they will bring their own spare parts (pedals, cymbals, cables, tuner, etc)...

**Backline:** 4x12 Marshal Cab, 1x12 Fender Hot Rod Combo, Marshall Tsl, 1x15 Cabinet, Gretsch Shellset

---
